* Additional Cost

⁽¹⁾ The SEL-2522 comes with one complete set of configurable labels. For additional configurable labels, enter 01 in the last two columns of the part number. If accessories are being ordered for previously purchased units, use the part number provided in parentheses.

⁽²⁾ Use any standard laser printer to print configurable alarm panel labels. Includes 5 sheets of perforated label paper. Each sheet contains 18 configurable labels. Typically two sheets are used to produce one complete set of labels for the SEL-2522.

Note: The SEL-2522 comes standard with a CD manual. A printed instruction manual is available upon request.
